Subject:- Request to instruct student to register on AICTE portal (<https://internship.aicte-india.org>)

--000--

Dear Sir,

The Ministry of Education (MoE) has announced a National Educational Alliance for Technology (NEAT) as a Public-Private partnership model between the Government (through its implementing agency AICTE) and the Education Technology companies of India. Select companies will showcase their products on a National Portal developed for the learners, who may procure them based on their requirements. The scheme also includes free coupons for existing technical education students from Economically and Socially disadvantaged students.

Kindly inform the students to register on the portal to avail the benefits of the scheme. Those already registered need not to register again.

Register Now (Select Student Tab) and avail of the benefit.

https://internship.aicte-india.org/register_new.php

For any other clarification, feel free to contact on email ID : adneat@aicte-india.org
