

ENGINEERING COLLEGE NOWGONG, CHHATARPUR (M.P.)

Institution's Innovation Council (IIC):

The Institution's Innovation Council (IIC), a program by the Ministry of Education, aims to cultivate innovation and entrepreneurship in higher education. IICs foster an ecosystem for students, faculty, and staff to collaborate on ideas, develop prototypes, and launch startups.

Key functions:

- **Ideation & Incubation:** Fostering innovative ideas and providing a nurturing environment for their growth.
- **Mentorship & Guidance:** Providing expert advice and support to aspiring entrepreneurs.
- **Resource Mobilisation:** Connecting entrepreneurs with essential resources like funding, technology, and networks.
- **Skill Development:** Equipping entrepreneurs with the necessary skills for success through workshops, training programs, and industry collaborations.
- **Awareness & Outreach:** Spreading awareness about entrepreneurship and the IIC's services to the broader community.

“Engineering College Nowgong enhances the quality of education by effectively utilising its Institution's Innovation Council (IIC).”
